

STUDY PROGRAMME WOOD TECHNOLOGY

1 study year						
SUBJECT	SEM	NO. OF CONTACT HOURS				ECTS
		LC	SE	LE	ALL	
Business communication and leadership	I	48	12	24	84	6
Professional terminology in foreign language [eng., ger]	II	36	-	36	72	5
Basics of computer science and informatics	I	24	-	48	72	5
Work study in wood processing	II	12	24	24	60	3
Protection at wood, fire security and environment protection	I	24	24	-	48	3
Designing and construction in woodworking	II	24	-	48	72	6
Materials in woodworking	I	36	12	36	84	6
Wood drying and seasoning	I	24	-	36	60	5
Machine treatment technology of wood	II	36	12	24	72	5
Surface treatment and protectin of wood	II	36	18	18	72	5
Practical education / internship	II				350	11

2 study year						
SUBJECT	SEM	NO. OF CONTACT HOURS				ECTS
		LC	SE	LE	ALL	
Company economics	I	36	-	36	72	5
Enterprenourship	II	24	36	-	60	5
Production management	I	24	12	48	84	6
Quality and reliability of production	I	24	24	-	48	4
Energetics in wood technology	II	24	12	24	60	5
Tecnology of saw-milling, veener and boards	II	24	12	24	60	5
Building in wood	I	24	12	24	60	5
CNC tehcnology in wood processing	II	24	-	36	60	5
Practical education / internship	II				450	15
Graduation thesis						5
